Hi Chris,

Here is what I added to the litigation TP shared site, let me know if you need more:

Deschutes TMDL & Related Litigation

We have received NWEA's opposition to our stay motion and their companion motion for summary judgement seeking an order that EPA take action on the Washington State Deschutes TMDLs by June 29<sup>th</sup> (the same date we offered in our stay motion two weeks ago). (b) (5)

[REDACTED]

In our most recent court filing, the Agency committed to acting on the Deschutes TMDL submission by June 29<sup>th</sup>, and the Regional program staff is working with ORC to finish drafting a decision document. (b) (5)
